

Suggested Social Media Posts

Included in this document are social media posts prewritten for you to share with your colleagues and friends. Feel free to add your own stories or revise them to fit your social media presence! Download the social media videos on reimagine.uen.org/outreach to accompany the text.

Facebook

- A program to support Utah educators!

The Utah Education Network has put together a professional learning program to support and empower educators with online and blended teaching techniques.

Courses include instruction from trusted experts and nationally recognized institutional partners and organizations.

- I recently signed up for UEN's Reimagine Teaching program to help my students engage remotely this year.

It's not too late for other Utah educators to sign up and earn a \$200 gift card for your participation.
